

Mututa Unimaginable Double Tragedy

Written by DFCEP News

This is an appeal to all Zimbabweans in UK and other well-wishers:

Mututa Family in Birmingham, UK suffered an unimaginable double tragedy after losing son, Melusi Mututa, 16 and mother, Mary Mututa within a fortnight over the festive season. Melusi is survived by father and two older brothers.

Message of appeal:

It is with great sadness and sorrow that we have had a terrible tragedy in our Zimbabwean Family. This is a very very sad story indeed. A 16 year old boy from the Mututa family passed away on the 18 of December 2013 at Heartlands Hospital. A post-mortem says Melusi succumbed to pneumonia and meningitis.

The family were due to leave for Zimbabwe on 2
nd

January 2014 for the young man's burial, but on the day of the boy's body viewing 01 January 2014 the mum collapsed and was pronounced dead on arrival at the hospital.

MOURNERS ARE GATHERED AT:
