A [Go Fund Me](#) appeal to raise US\$5,000 has been launched for Christopher Bwalya Chibuta:

This young man, only born in 1989, died on 3rd June in his sleep in Winnipeg Canada. He moved to Canada to get a degree in Economics only 3 years ago.

Now he is gone without fulfilling that dream.

We want to send his body back to Zambia. \$10,000 was the price but We have already raised \$5000. Please help us raise the remaining \$5000. The Zambian Community in Canada are not as many as we are in America and other places, so we ask that we help them raise this money.

Thank you very much
