Body repatriations to Zimbabwe - is citizenship proof really necessary?

Did you know Zimbabwe is probably the only country or one of the very few countries in the world that require citizenship proof before body repatriation is approved?

Why would anyone want their remains to be repatriated to Zimbabwe if they are not Zimbabweans?

Equally, why would anyone want to repatriate a Zimbabwean to say Nigeria or Afghan for that matter?

Read about [Zimbabwe body repatriation requirements](#) .

Let's discuss and liberate ourselves.
