Dear all Zimbabweans and Friends,

Fiona Sibanda a 19 year old Zimbabwean lady who was a student in Leeds and a dedicated christian passed away last week on Wednesday at Bradford Infamatory Hospital.. She has been fighting cancer for some time, but she finally gave in to it. This tragic incident happened whilst his father Mr Taruvinga Sibanda was in Zambia, Africa doing some researches. As i am writing now he has arrived here in Bradford to make arrangements for the burial of his daughter.

As a father who wasn't working and the body of her daughter lying in Bradford Infamatory Hospital, Bradford Association for Zimbabweans is kindly appealing to every Zimbabwean to donate any amount towards the cremation of Fiona's body since taking her to Zimbabwe or a proper burial here in U.K. proved very costly. He needs to raise £2 800 before Thursday the day the body will be cremated. Her ashes will be send to Zimbabwe for Burial.

The Account Details are as follows: T.F. Sibanda. Lloyds TS Bank. Sort Code: 77-71-13.
Account number 47 69 26 68.

Please as Zimbabweans lets have that Zimbabwean heart of helping each other like what we do at every Funeral back home in Zimbabwe. The Spirit of Individualism does not take us anyway.Please be kind enough by forwarding this e-mail to your friends. Your support will be of great value to the Sibanda family and will go a long way.
God Bless you all

Yours Sincerely,
Hopewell Manyara Tigere
